6" LOW PROFILE DRILL PRESS VISE

11746

A low profile drill press vise for smaller quill travel applications.
Backed by Wilton's lifetime warranty.

FEATURES

- Designed for applications including drilling, tapping and reaming
- Low profile clearance for increased working room on machine table
- Hardened V Grooved Jaws hold round shaped objects both vertically and horizontally
- Durable construction with fine grain cast iron castings and hardened steel vise jaws
- Black oxide coated ACME threaded screw provides consistent clamping force
- Highly accurate with beds and bases parallel to $\pm .001$ "
- Base has four $\frac{1}{2}$ " shoulder slots for quick, easy positioning on the machine table
