

# JSG-6DCK, 6" X 48" BELT / 12" DISC SANDER WITH OPEN STAND

708599K

The JET JSG-6DC Sander combines a 12" disc and a 6" x 48" belt to provide raw industrial 1.5 HP sanding power. The exclusive dual thumbscrew belt tracking adjustment locks to keep the belt on track while tackling any tough application. The sander boasts both a quick release belt tension lever and a quick lock dust cover for the disc. The built in handle allows for easy portability around the workshop while the included stand saves room on your workbench.

## FEATURES

- Exclusive dual thumbscrew belt tracking adjustment locks to keep belt on track during use
- Graphite covered steel platen runs cooler increasing machine and belt life
- Heavy-duty steel open-style stand provides solid support
- Specially designed belt guard allows full use of the 6" belt width and length
- Tracking adjustment knob with quick-lock handle keeps belt on track during use
- Two precision-ground cast iron tables have positive stops at 90° and 45° for sanding flat pieces or mitered angles; allows belt sander to be used vertically, horizontally or anywhere in-between

## JET RED ASSURANCE 5-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
